ULLI LINE

Baralan is pleased to present the Ulli line.

It is ideal for those looking for a complete line for nail polish, skin care and fragrances.

Nail polish:

bottles with different capacities 8, 10 and 15 ml
Combined with Alster overcap.

Skin care:

30, 50 and 100 ml bottles with neck 24 combined
with cream pumps and Alster overpump.

Fragrances:

30, 50 and 100 ml bottles with crimp neck 15
combined with spray pumps and Alster overcrimp.

With an oval and harmonious shape The Ulli set is packaging refined and at the same time modern.

Fragrance bottles and the nail polish 8 ml, bottles are in a superweight version, with a thicker distribution of glass on the bottom to make them more precious.

Ulli bottles can be combined with different accessories of the Baralan catalogue. The line can be personalized with various decoration techniques which allow for a more exclusive appearance and make it suitable for all needs.
